

REUTERS GLOBAL MARKETS FORUM CENTRAL BANKS' SPECIAL

August-September, 2023

G-20 policymakers' interviews on the Reuters Global Markets Forum (GMF)

Experienced Reuters journalists interviewed some of the world's leading sitting and former central bankers on GMF - an exclusive editorial community for financial market professionals, available for free access on LSEG Messenger - to discuss priorities and challenges central banks face as they navigate the effects of some of the highest interest rates in recent history to battle unbridled inflation.
